CAUSE

Mr. Hallock is currently being supervised in the Central District of California. Recently the supervising officer discovered that Hallock was viewing sexually inappropriate materials on his digital device. The officer is of the opinion that Mr. Hallock is engaging in risky behavior and he admitted to the officer that he was "trying to see what he could get away with." The supervising officer finds the current conditions of supervision, which were written more than 10 years ago, not robust enough to address Mr. Hallock's risk factors.

It is respectfully requested that Mr. Hallock's conditions be modified to include the aforementioned new conditions. Hallock has agreed to this modification, the waiver of hearing is attached for Your Honor's review.

Respectfully submitted,

By "assistance of counsel," I understand that I have the right to be represented at the hearing by counsel of my own choosing if I am able to retain counsel. I also understand that I have the right to request the court to appoint counsel to represent me at such a hearing at no cost to myself if I am not able to retain counsel of my own choosing.

I hereby voluntarily waive my statutory right to a hearing and to assistance of counsel. I also agree to the following modification of my Conditions of Probation and Supervised Release or to the proposed extension of my term of supervision:

All computers, computer-related devices, and their peripheral equipment, used by the offender shall be subject to search and seizure. This shall not apply to items used at the employment's site, which are maintained and monitored by the employer.

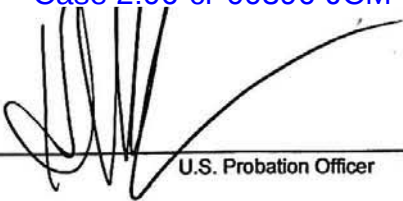

All computers, computer-related devices, and their peripheral equipment, used by the offender, shall be subject to search and seizure and the installation of search and/or monitoring software and/or hardware, including unannounced seizure for the purpose of search. The offender shall not add, remove, upgrade, update, reinstall, repair, or otherwise modify the hardware or software on the computers, computer-related devices, or their peripheral equipment, nor shall he/she hide or encrypt files or data without prior approval of the Probation Officer.
